A blend of 55% Sauvignon Blanc and 45% Sémillon, the 2022 de Fieuzal Blanc exhibits aromas of spring flowers, lemon oil, al dente pear and peach with flinty hints. Juicy, round and deep, fleshy and fresh with a medium to full-bodied palate, it has a slightly phenolic finish. The aging process should reduce the slight austerity and bring more flesh and substance.

White peach, lemon curd, pineapple, orange rind, mango and honeysuckle shine in the perfume. On the palate, the wine is creamy, sweet, supple, and loaded with yellow, and orange tropical fruits. This will be great in your glass on release. The wine blends 55% Sauvignon and 45% Semillon.
