

PETROLO

GALATRONA

The Vineyard: Galatrona is the “**Grand-Cru**” of Petrolo, only made with **Merlot grapes** from the vineyard Galatrona planted between the end of the 80’s and half of the 90’s with low vigor bordeaux clones. The vineyard extends for 10 Ha with almost 50.000 plants grown on spurred cordon trellising.

First Vintage: 1994

The Soil: Loam rich in **clay**, with **shale, marl and sandstone**. Altitude 300 m asl. South-eastern exposure. Placed on the south-eastern borders of the Chianti Hills, in the **DOC Val d’Arno di Sopra**. **Clay** helps keeping moisture in the soil, of which merlot has higher needs in the hot, dry, Tuscan summers. The combination of stones, shale and clay is among the elements that allow Galatrona to produce elegant and full-bodied wines even in what are considered minor vintages.

Vinegrowing: Since 2004 we have been abandoning traditional farming methods practising **natural/sustainable farming**: dry farming, no tillage, total grassing with mulch management, no synthetic pesticides or fertilizers. Official **Organic Certification** was obtained from harvest 2016 (Petrolo olive oil is organic since the 90’s). To achieve **natural balance in the vineyard**, the plants are managed by hand with targeted intervention. Heavier pruning and grape thinning are almost absent in the mature vineyards already balanced. Today extra management is only needed in the more challenging years.

Vinification: **Manual harvest in crates** and further grape selection with **sorting table**. **Spontaneous fermentation** with native yeasts in glazed concrete vats. Soft and frequent manual pumping over.

Aging: **Spontaneous malo-lactic** fermentation in wood. Maturation for about 18/20 months in rigorously selected **French oak** tonneaux and barriques, new for about a third. Constant **batonnage** of the fine lees for the first 8 months.

Style: Intense elegant wine with great structure and complexity, lovely balance between acidity, fruit and tannins. A great wine, beyond the grape variety it’s made from, which **talk of the piece of land it came from**, a classic in its own way.

Vintages 2022-1994

Galatrona 2022		ORGANIC
Wine Appellation	DOC Valdarno di Sopra, Merlot (100%), Vigna Galatrona. Estate produced and bottled. ORGANIC	
Vintage Report	The 2022 was a very good vintage during which all grapes phenological stages developed regularly. After the summer drought, the few intense rainfalls of the second half of August boosted moisture and allowed optimal ripening and balanced production which led to excellent wine quality.	
Harvest	Started the first week of September.	
Yield	This vintage allowed abundant quality production.

Galatrona 2021		ORGANIC
Wine Appellation	DOC Valdarno di Sopra, Merlot (100%), Vigna Galatrona. Estate produced and bottled. ORGANIC	
Vintage Report	The 2021 vintage had a difficult seasonal trend, spring frosts and summer drought, which extremely reduced production, around 30% lower than usual. Despite the lack of rains, it was possible to reach optimum grape maturation keeping low yields per plant.	
Harvest	Started the first week of September.	
Yield	Overall, outstanding results were obtained thanks to Petrolò's caring hands in the vineyard and in the cellar which allowed us to reach excellent wine quality even in a vintage of this kind.

Galatrona 2020		ORGANIC
Wine Appellation	DOC Valdarno di Sopra, Merlot (100%), Vigna Galatrona. Estate produced and bottled. ORGANIC	
Vintage Report	After a mild winter, the initially warm spring brought heavy rains in May and rather cold temperatures for the period. In early summer vine development realigned to its usual course. A few thunderstorms in July brought below-average temperatures which allowed balanced cluster growth . The grapes in august got several rains and high temperatures, so they were able to reach a very good ripening .
